

TEE-UP for South East

A Golf Event Benefiting South East Consortium

Monday, September 27, 2010
Westchester Hills Golf Club
White Plains, New York

Soon the warm weather will be returning and South East can use you help!

The South East Consortium prides itself on the many programs and services it provides to over 300 children and adults with special needs who reside in our local communities. For nearly 30 years, we have strived to offer an effective variety of experiences and opportunities that would enhance the lives of those we serve. We also realize the pressing need to expand and create new initiatives, especially for younger children. To do this, we need to raise more money even during this economic downturn. South East is embarking on a couple new fund raising endeavors and our biggest effort will be the creation of the 1st annual *Tee-Up for South East* golf event to be held on September 27th at Westchester Hills Golf Club in White Plains.

We would be honored to have you on board as a committee member or contributor for this inaugural event. Our staff has experience with this type of event and I promise a finished product that will be organized, tasteful, reasonably priced, and beneficial to South East. We are in the process of creating a brochure that will spell out the details, but, for the meantime, please save the date and let us know if you want to be part of something very special. We welcome any suggestions, assistance or contacts you can provide.

Here are some of the ways you can be of help:
