PLEASE READ THE FOLLOWING INFORMATION

Summer Program Enrollment Format:

- Due to the overwhelming demand for SEC programs over the past seasons, Program Enrollment Forms will only be accepted by Mail or in person at the SEC Office. Program Enrollment Forms may not be faxed, phoned in or emailed.
- If a participant has an outstanding balance due to South East for attending previous programs, that participant will not be permitted to enroll for the new session until the outstanding balance is paid.
- If your participant has outstanding paperwork (Lifeplan/ISP, IEP, NOD, LOC, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: *Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.*

Each of the member municipalities contribute tax dollars to the SEC. Residency is based on which municipality to which you pay taxes, not by school district or mailing address. If you are unsure of member eligibility, please contact the office for assistance.

Program Attendance:

When enrolling your participant for a program please be aware of this important concern. SEC receives certain reimbursements through Medicaid for providing services to your participant, but only if your participant attends the program. If your participant has spotty attendance or simply doesn't attend at all, it has a significant financial impact on SEC. Also, since SEC has a "wait list" for most of its programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your participant will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

Program Staffing:

SEC hires the most competent and professional staff it can to ensure the safety of your participant and the effectiveness of our programs. Staff salaries and fringe expenses are over one half of our operating budget. Under Medicaid regulations SEC is not permitted to charge staffing expenses to families and that creates a significant financial shortfall when overstaffing is required for a safe, productivity experience in a group setting.

When you enroll your participant for a program, specifically a special event or community outing, and it is determined your participant will need additional supervision, SEC will discuss this with you so to ensure effective, safe supervision and an enjoyable time.

Sibling Discount: If a family has more than one participant enrolled in our programs South East offers a 15% discount for each sibling.
