

A Message from the Executive Director

Dear Families and Individuals,

South East Consortium is pleased to announce that we will resume modified in person programming for part of the Fall 2020 season. OPWDD's guidance has forced us to implement rigid limitations to our programs. We are currently planning to offer programs with a maximum size of 10 Individuals. In addition, we will be offering programs on Zoom. **Please review the brochure carefully as a majority of our program times have had changed.**

South East Consortium COVID-19 Safety Plan for site-based programs is available for download on our website at www.secrc.org. This plan will help protect our individuals and ensure the health and safety of all involved. The following are essential parts of our safety plan that will help ensure the safety of all. We'd like to thank you in advance for your cooperation.

Health screening and safety:

- All individuals must complete and return the COVID-19 Waiver For Communicable Diseases prior to the first day of program.
- One member of staff for each program will be designated as the "health safety monitor". This health safety monitor will be responsible for recording temperatures and recording the COVID-19 questionnaire.

The questionnaire will ask the following:

- o Has your individual had a positive COVID-19 test in the past 14 days prior to this program?
- o Has your individual had close contact with someone diagnosed with COVID-19 within the last 14 days?
- o Has your individual experienced any cold or flu-like symptoms in the last 14 days (fever, cough, shortness of breath or other respiratory problems)?
- o I agree that I will not send my individual to the program if they are experiencing any COVID-19 signs or symptoms.
- o I agree that my individuals temperature is not 100.0 or higher prior to the beginning of this program.
- o I agree to not give my individual fever-reducing medications so they can attend this program.
- o I agree that if my individual has had close or proximate contact with a confirmed or suspected COVID-19 case during the course of this program, we will keep them out of program for the required 14 days.
- o I agree that my individual has not traveled or had close contact with an individual that has traveled to any states currently on the NYS Travel Restrictions list.
- o Any individual exhibiting signs or symptoms of COVID-19 upon arrival to program will not be allowed to attend. Anyone with a temperature

- greater than or equal to 100.0 F will be sent home.
- o Individuals who develop new symptoms or fever while in the facility will be immediately separated, provided with additional PPE gear (masks, gloves, etc.) and sent home. If someone becomes ill, staff will follow all emergency procedures including calling parents and contacting 911 as necessary.

It is imperative that these questions are answered honestly. If you answer “yes” to any of the above questions, you must not send your individual to program and make South East Consortium aware immediately.

Additionally, all SEC individuals and families are asked to:

- o Wear a face covering at all times when attending program.
- o Cooperate with all efforts at tracking and tracing as per the DOH and NY State.

South East Consortium is updating policies and practices to reflect our ever changing needs to provide the best services for our families. We are asking for a current photo to be placed in your individuals file for emergency identification purposes. Please send these photos by email or mail to Austin Cunney - acunney@secrec.org.

Program Enrollment for Fall 2020 will begin Monday, August 24th at 12:00 P.M. through our registration portal. Please click on the Program Enrollment page on our website. If you need help with enrolling online please call the SEC office to make an appointment so program staff may assist you with the process. Due to COVID-19 health precautions and current staffing limitations, 1:1 support for programs is limited. Please call the office if your individual requires 1:1 support.

Unfortunately, due to the current pandemic, our annual “Tee-Up for South East” fundraiser scheduled for this fall has been cancelled. In addition, with program shutdowns the loss of revenue for South East this year could well exceed \$400,000! So, the Event Planning Committee has decided to make a pivot to a virtual event designed to raise funds to offset some of the devastating losses.

On October 3rd from 7:30PM-8:30PM you are invited to join us for **Rockin’ for South East** Virtual Concert on a computer near you. Please visit the SEC Website for \$5 tickets and to Donate Now!

On behalf of everyone at South East we thank you for your continued support.
Sincerely,

Jennifer Spenner-Kind
Executive Director

Please Read the Following Information

Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the fall 2017 session.

SEC can no longer accept any **NEW** registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed. You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

Registration Restriction:

If a individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

Program Attendance:

When registering your individual for a program please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.

NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.
