# A Message from the Executive Director

---

Dear Families and Individuals,

I am delighted to share with you our Spring Session brochure and hope you will find our many different programs and activities interesting and meaningful. We are making every attempt to get back to a normal program lineup for the spring. Keeping this in mind we will offer both in-person and zoom programs where appropriate.

Every season we try and include new activities that will balance our offerings and provide a fresh twist. Such is the case with **Nature Zone**, **Karate with Cosmo** and the **Fabulous Silk Scarf Dyeing Workshop**. Our programs and activities are the direct result of listening to participants and families. We look forward to continuing our success based on that communication and for that we are grateful.

Program Enrollment for Spring 2021 will begin Monday, March 8th at 12:00 P.M. through our registration portal. Please click on the Program Enrollment page on our website. If you need help with enrolling online please call the SEC office to make an appointment so program staff may assist you with the process.

If you are registering for in-person programs you will need to sign and submit a new COVID-19 waiver form for 2021. In addition, you will need to sign a Westchester County Sports Waiver, this is required for all individuals participating in programs held at Harbor Island Park, in Mamaroneck. These forms are available for download on the main page of the SEC Website along with the South East Consortium COVID-19 Safety Plan for site-based programs at [www.secrec.org](http://www.secrec.org). This plan will remain in effect until we are directed otherwise by NYS and OPWDD. These procedures will protect our individuals and ensure the health and safety of all involved. .

As spring approaches quickly, please join me in welcoming our new Program Supervisor, Erin McGuinness. Erin is excited to join the South East Consortium team as a Program Supervisor! She graduated with a Bachelor's degree in Education from SUNY New Paltz in 2016, and brings a decade of experience working in both youth development and recreational programming in camp and school settings. She realized her passion for making recreational programs accessible to individuals of all ability levels during her time as a Program Instructor at Camp For All in Burton, TX and later as a Program Leader with North East Westchester Special Recreation. Erin believes that now more than ever, recreation provides the safe and supportive outlet we all need to be ourselves, to build lifelong friendships and to obtain skills to succeed at program ( and beyond!). She is honored to be a part of those important experiences here at South East, and cannot wait to get to know all of the amazing individuals that make up the South East Consortium family during spring programs! Outside of programs, Erin enjoys baking, listening to audiobooks, playing virtual Monopoly with her family (including her fur-niece Boo), coffee and most of all spending time outside! She resides in Yorktown with her family.

On behalf of everyone at South East we thank you for your continued support.

Sincerely,

# Please Read the Following Information

---

## Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

## Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.

SEC can no longer accept any **NEW** registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed. You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

## Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

## Registration Restriction:

If an individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

## Program Attendance:

When registering your individual for a program please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

## Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.

**NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.**
