A Message from the Executive Director

Dear Families and Individuals,

South East has resumed a full line-up of in-person programs with NYS and OPWDD recommended guidelines. We are thrilled to share with you our evening programs and special events for Summer 2021. All outdoor programs for Summer 2021 are subject to inclement weather conditions. Please make sure your your contact information is up to date on your RecDesk account or by calling the SEC office at 914-698-5232.

PROGRAM ENROLLMENT FOR SUMMER 2021 WILL BEGIN FRIDAY, MAY 21ST AT 10:00 A.M. THROUGH OUR REGISTRATION PORTAL. Please click on the Program Enrollment page on our website. If you need help with enrolling online, please call the SEC office to make an appointment so program staff may assist you with the process. Please note, if you have outstanding paperwork (Lifeplan, SEC Medical, etc.) or account balance your RecDesk account may be locked. Please call the office at 914-698-5232 to speak with a Program Supervisor to rectify the issue.

All individuals enrolling in summer programs must have a completed COVID-19 waiver form for 2021 on file in the SEC Office. In addition, you will need to sign a Westchester County Sports Waiver, this is required for all individuals participating in programs held at Harbor Island Park, in Mamaroneck. These forms are available for download on the main page of the SEC Website along with the South East Consortium COVID-19 Safety Plan for site-based programs at www.secrec.org. This plan will remain in effect until we are directed otherwise by NYS and OPWDD. These procedures will protect our individuals and ensure the health and safety of all involved.

On behalf of everyone at South East we thank you for your continued support and look forward to a fun and exciting summer!

Sincerely,

Jennifer Spenner-Kind
Executive Director

Please Read the Following Information

Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.

SEC can no longer accept any **NEW** registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed. You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

Registration Restriction:

If an individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

Program Attendance:

When registering your individual for a program please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.

NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.
