

South East Consortium Summer Day Camp Programs

Thank you for your interest in the South East Consortium Summer Day Camp Programs. It is important I share with you the following information which provides a basic understanding of changes which are taking place with these unique and highly respected inclusive summer day camp programs.

Once again, this year we will be offering SEC Day Camps in the Town of Eastchester and Village of Scarsdale. Based on the highest percentage of campers comprising enrollment in 3rd – 8th grade (ages 8-14) reside in Eastchester, Bronxville and Tuckahoe, South East has partnered with the Town of Eastchester Department of Recreation to enroll campers in the aforementioned grades in Camp Galaxy Sr. This further transformation will solve the overcrowding issue at the Scarsdale Camp site and give campers the opportunity to attend camp in their own town.

If your camper has aged out of SEC Day Camp. Please call the SEC office to discuss what options are available for your camper.

If you decide your child meets our eligibility requirements and you wish to pursue enrollment, please visit our website at www.secrc.org and click on the Program Enrollment tab. You will need sign up for a RecDesk account to enroll your camper online prior to the enrollment start date. This account will allow you access and upload all of your campers' forms. All accounts must be approved (which may take up to 24hrs.) prior to enrolling in camp/programs. Camp Forms (Permission Slips, Medication forms, etc.) will be available on the website beginning March 18th, 2022. All permission slips must be submitted by email at the time of enrollment to emcguinness@secrc.org. If it is mutually agreed your camper requires 1:1 supervision, then we will discuss with you available options. Camp counselors range from teacher aides, to college and high school students. All staff realize their primary function is to provide productive, enjoyable camp activities for campers in a respectful and safe manner. South East shares the services of an EMT personnel for health purposes. Each staff must undergo a criminal background check and fingerprint screening.
