# A Message from the Executive Director

---

Dear Families and Individuals,

Spring is right around the corner, and we are so glad to have you back! Thank you for making South East Consortium a part of your family!

With the interests and needs of our community always changing and evolving, so too are our program offerings. Our Saturday Swim program has been restructured for the Spring season. Registration will only be available over the phone, to ensure that swimmers are grouped appropriately. Please call the South East Consortium office if you are interested in registering. Please note as well, Saturday Swim is a learn-to-swim program. People who are registered for Sharks Swim will not have the option to register for Saturday Swim due to space restrictions at this time.

We, of course, understand that life can be unpredictable, and plans do change, but regular absences create billing troubles for South East. We cannot bill for your individual if he or she does not attend. With our programs having strict enrollment maximums, please only register for programs you can regularly attend.

Our special events and trips will now require up-front payment. When scheduling trips and events, South East Consortium pays admission fees in advance. This makes it essential for our trips to have full attendance. We have seen a trend of people registering for special events without paying to secure a spot, and then dropping the event as the date approaches. This leaves South East to try and find substitutions which, based on the trip, which can be incredibly challenging.

Summer camp enrollment will be done over the phone this season to ensure that all individuals requesting services have the correct paperwork for enrollment. A non-refundable \$100 deposit is due upon enrollment. Please see our website for additional information regarding camp.

For individuals living at home, it is vitally important that you continue to make sure that your Medicaid Care Coordinator is aware that you are receiving services from South East Consortium. If your coordinator changes for any reason, it is your responsibility to make South East Consortium aware. Failure to do so can lead to South East being dropped from your plan. If South East is dropped from Section IV of your Life Plan, you will be unable to register for program until it is rectified. Please do not hesitate to contact the South East Consortium office if you have any questions.

Sincerely,

Jennifer Spenner-Kind  
Executive Director

# Please Read the Following Information

---

## Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

**Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept NEW enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.**

## Enrollment Criteria:

**The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to NEW individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.**

**SEC can no longer accept any NEW registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed. You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.**

**HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.**

## Liability Notice:

Before South East Consortium provides service, we must determine who is responsible for paying for the cost of the services. This could be Medicaid, NYS or another payor, such as the individual or the individual's legal guardian. You are required to provide us with the information we need to make this determination. We must make this determination even if you offer to pay for the services. If Medicaid is not responsible for the cost of the services, we will determine if another payor is responsible for the cost of the services and whether that other payor can afford the payment.

If the limited exception ends, we can bill you for the respite services and we may deny or stop the respite services if payment is not received. The individual, or another liable party, will have to pay for the services at the Medicaid hourly reimbursable rate to South East Consortium. Otherwise, the individual will need Medicaid coverage that pays for the respite services and to be enrolled in the Home and Community Based Services (HCBS) Waiver. Fee reductions or waivers are available in unusual circumstances.

If the individual already has Medicaid coverage you must provide us with proof of coverage including the individual's Medicaid Client Identification Number. The individual must maintain Medicaid coverage in the future. If the individual loses coverage you must inform us.

If the individual does not already have Medicaid coverage:

You must pay for the services if no other payor exists. If you are responsible for the individual's money, you are only required to use the individual's money to pay for the services.

OR

You must apply for Medicaid if no other payor can pay for the services. When applying for Medicaid, you must take all legal steps to qualify for and maintain Medicaid coverage.

The full fee for the requested services is available upon request from the SEC Office. South East Consortium is allowed to assess fees for programs. These fees are based on non billable services to Medicaid (admission cost, consumable supplies and food associated with programs are billable to the consumer). If we reduce the fee, you will be required to pay the reduced fee. If we reduce the fee and we later determine that you are able to pay the full fee, you will be required to pay the full fee. We will provide you with 30 days' written notice if the fee reduction changes. We will send you bills if you are paying for the services. We will send you a monthly bill by the 30th of the month following service. If you do not pay the bills, we will try to collect from you.

## Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

## Registration Restriction:

If a individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

## Program Attendance:

When registering your individual for a program, please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs, it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

## Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.

**NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.**
