PLEASE READ THE FOLLOWING INFORMATION

Dear South East Families and Friends,

Summer is here, and with it comes a full calendar of vibrant, engaging programs designed to keep participants active, social, and thriving throughout the season. We're thrilled to offer a wide variety of weekly classes, day trips, special events, and outdoor adventures that highlight the very best of what summer should be — fun, connection, and personal growth.

Care Management & Self-Direction

If your family uses care management or self-direction services, it's crucial that we receive the most up-to-date documentation. If your care manager or broker has changed, please inform Austin Cunney right away. To avoid delays or billing issues, SEC must be listed in the Life Plan, and current Self-Direction Budgets and Front Door authorizations should be on file.

Paratransit Use

We love seeing individuals travel independently using paratransit. However, program staff are only scheduled for specific time blocks. Repeated early drop-offs or late pick-ups create supervision and scheduling challenges. A signed transportation waiver is required for all paratransit riders, and if you need help coordinating timing, a program supervisor can assist.

Attendance Reminder

Please remember that Medicaid funding is tied to program attendance. If a participant misses three sessions without notice, they will be removed from the program without a refund. If you know in advance that your individual won't be attending, let us know — this allows us to offer the spot to someone else who may be on the waitlist.

Looking Ahead

This season also includes some of our most anticipated trips: Yankees games, Splish Splash, fishing excursions, and local getaways to state parks and museums. We're proud to offer these experiences, and we encourage families to review all trip times and packing needs in advance.

On behalf of the entire South East staff, thank you for trusting us with your summer. We can't wait to see what memories we'll create together.

Here's to a safe, exciting, and unforgettable Summer 2025.

Warmly,

The South East Consortium Team

Please Read the Following Information

Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.

SEC can no longer accept any NEW registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed. You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

Liability Notice:

Before South East Consortium provides service, we must determine who is responsible for paying for the cost of the services. This could be Medicaid, NYS or another payor, such as the individual or the individual's legal guardian. You are required to provide us with the information we need to make this determination. We must make this determination even if you offer to pay for the services. If Medicaid is not responsible for the cost of the services, we will determine if another payor is responsible for the cost of the services and whether that other payor can afford the payment.

If the limited exception ends, we can bill you for the respite services and we may deny or stop the respite services if payment is not received. The individual, or another liable party, will have to pay for the services at the Medicaid hourly reimbursable rate to South East Consortium. Otherwise, the individual will need Medicaid coverage that pays for the respite services and to be enrolled in the Home and Community Based Services (HCBS) Waiver. Fee reductions or waivers are available in unusual circumstances.

If the individual already has Medicaid coverage you must provide us with proof of coverage including the individual's Medicaid Client Identification Number. The individual must maintain Medicaid coverage in the future. If the individual loses coverage you must inform us. If the individual does not already have Medicaid coverage: You must pay for the services if no other payor exists. If you are responsible for the individual's money, you are only required to use the individual's money to pay for the services.

OR

You must apply for Medicaid if no other payor can pay for the services. When applying for Medicaid, you must take all legal steps to qualify for and maintain Medicaid coverage.

The full fee for the requested services is available upon request from the SEC Office. South East Consortium is allowed to assess fees for programs. These fees are based on non billable services to Medicaid (admission cost, consumable supplies and food associated with programs are billable to the consumer). If we reduce the fee, you will be required to pay the reduced fee. If we reduce the fee and we later determine that you are able to pay the full fee, you will be required to pay the full fee. We will provide you with 30 days' written notice if the fee reduction changes. We will send you bills if you are paying for the services. We will send you a monthly bill by the 30th of the month following service. If you do not pay the bills, we will try to collect from you.

Many of our Summer programs occur outdoors. Please be sure to dress accordingly wearing sunglasses, a cap, sunscreen, etc. Please always be sure to keep an eye on the weather forecast on days you have a program or trip. In the event of inclement weather that requires a program cancellation, you will receive an email from the program supervisor.
