# A Message from the Executive Director

Dear South East Families and Friends,

With Spring on the horizon, we're excited to continue providing engaging and meaningful recreational programs for our participants. Your ongoing support plays a vital role in making these experiences possible, and we truly appreciate your involvement in the South East community. As we gear up for the new season, we'd like to share a few important updates and reminders:

Care Management and Self-Direction: Staying connected with care managers and brokers can sometimes be a challenge due to high turnover in the field. To prevent disruptions in program participation, please notify Austin at South East if your care manager or broker changes, or ask them to reach out directly. Families transitioning to self-direction should ensure their broker is aware of their involvement with South East and that any necessary updates, such as Life Plans or Self-Direction Budgets, are submitted to Austin. Keeping these records up to date is essential to avoiding a pause in program participation.

Paratransit Use: We love seeing participants use paratransit for independent travel, but it's important to note that staff are scheduled based on program times. Early drop-offs or late pickups can create scheduling conflicts and extend staff hours unexpectedly. While occasional delays happen, we ask that rides be scheduled as close to program start and end times as possible. If you need help coordinating schedules, a program supervisor will be happy to assist. Also, a transportation waiver is required for anyone using paratransit to and from program.

Age Restrictions: While many of South East's programs have very wide age ranges to accommodate people of all ages, some of our programs are designed with a specific age group in mind. As such, there may be programs that will be unavailable to you if you are over the maximum enrollment age. We always try to offer a comparable program for those who age out. We apologize but we will be unable to make exceptions for those who age out of program. This is done to ensure the age appropriateness of the program, and to allow new individuals access to programs within their age group.

Summer Camp: Information on summer camp opportunities will be available shortly. We will be offering camp programs at Camp Galaxy for Tuckahoe, Bronxville and Eastchester residents and Scarsdale Recreation camp for those who reside in Scarsdale, Mamaroneck, Larchmont, Rye, Port Chester, Rye Brook and Harrison. In addition South East will be offering Teen Travel Program and our Life Experience Program! Be on the look out for our email blast through Constant Contact in the coming weeks.

We look forward to an amazing Spring season filled with connection, growth, and fun. As always, if you have any questions or concerns, don't hesitate to reach out.

# Please Read the Following Information

## Registration Restriction:

If an individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

## Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.
**NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.**

## Program Attendance:

When registering your individual for a program please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

## Transportation Policy:

South East requires a minimum of four participants to offer door-to-door transporation to program. South East Consortium will unfortunately be unable to provide door-to-door transportation to programs without meeting this minimum threshold.

## Late Pick-Up Policy

Late pick-ups and early drop offs are continuing to create several problems for us, epecially when a facility is required to stay open for us. In addition, these situations require staff to provide extended supervision before/after program time. We understand that life will present unexpected glitches in your schedule, but repeated instances of early drop-offs and late pick ups will result in a charge of $10 for every additional 15 minutes that staff are required to provide supervision, either before or after program.

# Please Read the Following Information

## Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

## Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

## Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.

SEC can no longer accept any NEW registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed.You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

**South East Consortium Office Hours**

**8:30 A.M. - 4:30 P.M. | Monday - Friday**

# Liability Notice:

Before South East Consortium provides service, we must determine who is responsible for paying for the cost of the services. This could be Medicaid, NYS or another payor, such as the individual or the individual's legal guardian. You are required to provide us with the information we need to make this determination. We must make this determination even if you offer to pay for the services. If Medicaid is not responsible for the cost of the services, we will determine if another payor is responsible for the cost of the services and whether that other payor can afford the payment.

If the limited exception ends, we can bill you for the respite services and we may deny or stop the respite services if payment is not received. The individual, or another liable party, will have to pay for the services at the Medicaid hourly reimbursable rate to South East Consortium. Otherwise, the individual will need Medicaid coverage that pays for the respite services and to be enrolled in the Home and Community Based Services (HCBS) Waiver. Fee reductions or waivers are available in unusual circumstances.

If the individual already has Medicaid coverage you must provide us with proof of coverage including the individual's Medicaid Client Identification Number. The individual must maintain Medicaid coverage in the future. If the individual loses coverage you must inform us. If the individual does not already have Medicaid coverage: You must pay for the services if no other payor exists. If you are responsible for the individual's money, you are only required to use the individual's money to pay for the services.

OR

You must apply for Medicaid if no other payor can pay for the services. When applying for Medicaid, you must take all legal steps to qualify for and maintain Medicaid coverage.

The full fee for the requested services is available upon request from the SEC Office. South East Consortium is allowed to asses fees for programs. These fees are based on non billable services to Medicaid (admission cost, consumable supplies and food associated with programs are billable to the consumer). If we reduce the fee, you will be required to pay the reduced fee. If we reduce the fee and we later determine that you are able to pay the full fee, you will be required to pay the full fee. We will provide you with 30 days' written notice if the fee reduction changes. We will send you bills if you are paying for the services. We will send you a monthly bill by the 30th of the month following service. If you do not pay the bills, we will try to collect from you.
