A Message from the Executive Director

Dear South East Families and Friends,

As we wrap up another summer and look ahead to the fall, we remain committed to delivering high-quality, engaging recreational opportunities for our community. Your involvement plays a vital role in helping us provide programs that are safe, successful, and meaningful for every participant.

Below are some important updates and reminders as we enter the new season:

Weekend Trips
Our weekend trips are designed to be highlights of the season — fun, social, and memorable. Recently, we've faced challenges due to a higher number of last-minute cancellations. While weather and other emergencies do happen, frequent day-of dropouts make it difficult for us to meet the minimum numbers required to run these outings. We will now be tracking repeated cancellations, and ongoing issues may result in restrictions on future trip registration. Please register only for trips you are confident you can attend so we can keep these opportunities available for all.

Care Management, Self-Direction & Medication Procedures
SEC is currently revamping our medication procedures to improve safety and consistency across programs. To ensure your care team is included in our updated system, we encourage you to contact Austin with your care manager's and self-direction broker's current contact information. This helps us stay connected with your support network and keep Life Plans and budgets up-to-date. Incomplete or outdated documentation may result in a temporary pause in program participation until the issue is resolved.

Transportation Update
SEC no longer charges a separate out-of-pocket fee for transportation. Instead, participants will be billed for the time they spend on SEC vehicles. This means your OPWDD unit totals will need to cover both program hours and travel time. Please work with your care manager or broker to review your budget and make any necessary adjustments before the season begins.

Transitional Fees
South East Consortium is no longer assessing transitional fees for individuals without Respite approval New individuals must undergo the intake procedures in entirety before they will be eligible to attend any South East Consortium programs or trips..

Office Closure
Our program staff will be out of the office from August 21ST–30th. Phone calls and emails will be returned beginning August 31st.

Thank you for your cooperation, flexibility, and continued support as we move into another exciting season at South East. We look forward to seeing you this fall!

Please Read the Following Information

Registration Restriction:

If an individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.

NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.

Program Attendance:

When registering your individual for a program please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

Transportation Policy:

South East requires a minimum of four participants living within our consortium area to offer door-to-door transporation to program. South East Consortium will unfortunately be unable to provide door-to-door transportation to programs without meeting this minimum threshold. SEC Transportation requires adequate Medicaid units to cover time on vehicle.

Late Pick-Up Policy

Late pick-ups and early drop offs are continuing to create several problems for us, epecially when a facility is required to stay open for us. In addition, these situations require staff to provide extended supervision before/after program time. We understand that life will present unexpected glitches in your schedule, but repeated instances of early drop-offs and late pick ups will result in a charge of $10 for every additional 15 minutes that staff are required to provide supervision, either before or after program.

Please Read the Following Information

Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or GROUP HOMEs or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.

SEC can no longer accept any NEW registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed.You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

South East Consortium Office Hours

8:30 A.M. - 4:30 P.M. | Monday - Friday

Liability Notice:

Before South East Consortium provides service, we must determine who is responsible for paying for the cost of the services. This could be Medicaid, NYS or another payor, such as the individual or the individual's legal guardian. You are required to provide us with the information we need to make this determination. We must make this determination even if you offer to pay for the services. If Medicaid is not responsible for the cost of the services, we will determine if another payor is responsible for the cost of the services and whether that other payor can afford the payment.

If the limited exception ends, we can bill you for the respite services and we may deny or stop the respite services if payment is not received. The individual, or another liable party, will have to pay for the services at the Medicaid hourly reimbursable rate to South East Consortium. Otherwise, the individual will need Medicaid coverage that pays for the respite services and to be enrolled in the Home and Community Based Services (HCBS) Waiver. Fee reductions or waivers are available in unusual circumstances.

If the individual already has Medicaid coverage you must provide us with proof of coverage including the individual's Medicaid Client Identification Number. The individual must maintain Medicaid coverage in the future. If the individual loses coverage you must inform us. If the individual does not already have Medicaid coverage: You must pay for the services if no other payor exists. If you are responsible for the individual's money, you are only required to use the individual's money to pay for the services.

OR

You must apply for Medicaid if no other payor can pay for the services. When applying for Medicaid, you must take all legal steps to qualify for and maintain Medicaid coverage.

The full fee for the requested services is available upon request from the SEC Office. South East Consortium is allowed to asses fees for programs. These fees are based on non billable services to Medicaid (admission cost, consumable supplies and food associated with programs are billable to the consumer). If we reduce the fee, you will be required to pay the reduced fee. If we reduce the fee and we later determine that you are able to pay the full fee, you will be required to pay the full fee. We will provide you with 30 days' written notice if the fee reduction changes. We will send you bills if you are paying for the services. We will send you a monthly bill by the 30th of the month following service. If you do not pay the bills, we will try to collect from you.

SEC MISSION

Created in 1981, the South East Consortium for Special Services, Inc. (SEC) is dedicated to providing recreation programs and leisure services to children and adults with developmental disabilities and special needs who reside in our member municipalities. Our mission is to maintain and improve the lives of those we serve by offering a comprehensive calendar of programs and services that are age appropriate, suitable for people with different levels of ability and designed to have an impact on an individual for a lifetime. We do this together and always welcome your ideas and concerns.
