A Message from the Executive Director

Dear South East Families and Friends,

As Winter approaches, we remain dedicated to offering enriching and transformative recreational programs that create meaningful opportunities for all participants. Our ability to fulfill this mission relies on the continued support of our families. Your involvement is essential to our success, and we thank you for being an integral part of the South East community.

To ensure the smooth operation of our programs this Winter and beyond, we'd like to remind families of some important policies and updates:

Weekend Trips:
We take great pride in organizing engaging weekend trips and events for our participants. Unfortunately, recent seasons have seen an increase in last-minute cancellations by families, which disrupts our ability to meet the minimum participant requirements necessary to run these programs. While we understand that unexpected circumstances can arise, we kindly ask families to carefully consider their availability before registering. This Winter, we will be implementing a system to track habitual cancellations, and continued non-compliance may result in further action. Your cooperation helps us ensure these opportunities remain accessible and enjoyable for all.

Care Management and Self-Direction:
We recognize that communication with care managers and brokers can sometimes be challenging due to high turnover rates in the industry. To avoid disruptions in your participation, please notify Austin at South East if your care manager or broker changes, or ask them to contact him directly. Families transitioning to self-direction should ensure their broker is aware of their involvement with South East and directs updates, including Life Plans or Self-Direction Budgets, to Austin. Failure to keep these records current may result in a suspension of program participation until the matter is resolved.

Paratransit Use:
We are pleased to see many participants using paratransit for independent travel to and from our programs. However, please note that our staff are scheduled to work within specific program times. Early drop-offs or late pickups can extend staff hours and disrupt program operations. While occasional delays are understandable, we ask that rides be scheduled to align with program start and end times as closely as possible. For assistance confirming schedules, please contact a program supervisor. Please note, transportation waivers are required for any individual riding paratransit to or from program..

We look forward to making this Winter another memorable season filled with fun, connection, and growth. If you have any questions or concerns, please don't hesitate to reach out.

Please Read the Following Information

Registration Restriction:

If an individual has an outstanding balance due to South East for attending previous programs, that individual will not be permitted to register for the new session until the outstanding balance is paid. Please note with the new enrollment system your account will be locked until the outstanding issue is rectified. In addition, if your individual has outstanding paperwork (LP, IEP, NOD, LCED, Medical form, etc.) they will not be allowed to enroll/attend South East Programs until the paperwork has been submitted.

Admission and Medical Forms:

South East Consortium is required to keep a completed up-to-date admissions application and medical form on file for all program individuals. A new program admission application is now online for enrollment. Individuals who have expired information on file will be required to update the information prior to participating in any South East programs. In addition all individuals will need to provide a current photo to be kept on file for security purposes.

NOTE: Please be advised that your individuals social security number is now mandatory to participate in all SEC programs, no exceptions.

Program Attendance:

When registering your individual for a program please be aware of this important concern. South East receives certain reimbursements through Medicaid for providing services to your individual, but only if your individual attends the program. If your individual has spotty attendance or simply doesn't attend at all, it has a significant financial impact on South East. Also, since South East has a "wait list" for most of our programs it is unfair to others who wish to participate.

We understand an occasional absence, but if you know beforehand, especially with a community outing or special event, that your individual will not be attending or is dropping a program, please let us know immediately so we can attempt to fill that vacancy. This may affect any possible program refunds to you.

Transportation Policy:

South East requires a minimum of four participants to offer door-to-door transporation to program. South East Consortium will unfortunately be unable to provide door-to-door transportation to programs without meeting this minimum threshold.

Late Pick-Up Policy

Late pick-ups and early drop offs are continuing to create several problems for us, epecially when a facility is required to stay open for us. In addition, these situations require staff to provide extended supervision before/after program time. We understand that life will present unexpected glitches in your schedule, but repeated instances of early drop-offs and late pick ups will result in a charge of $10 for every additional 15 minutes that staff are required to provide supervision, either before or after program.

Please Read the Following Information

Sibling Discount:

If a family has more than one individual registered in our programs, South East offers a 15% discount for each sibling. Please note that this will be adjusted in-house and a credit applied to your account.

Who We Serve:

The South East Consortium proudly serves children and adults (age 5 and beyond) with various disabilities and special needs who reside in the following member municipalities: Town and Village of Mamaroneck, Town of Pelham, Village of Rye Brook, Village of Port Chester, Village of Larchmont, City of Rye, Village of Scarsdale, Town of Eastchester, Village of Bronxville, Village of Tuckahoe and the Town and Village of Harrison.

Each of the member municipalities contribute tax dollars to the South East Consortium. Residency is based on which municipality you pay taxes, not by school district or mailing address. Due to overcrowding and limited resources, SEC can no longer accept **NEW** enrollments from individuals who reside outside the Consortium municipalities. If you are unsure of member eligibility, please contact the office for assistance.

Enrollment Criteria:

The following criteria and conditions for enrolling in South East Consortium (SEC) programs applies only to **NEW** individuals residing with their families/guardians or independently in any of the Consortium municipalities. This DOES NOT apply to individuals residing in IRAs or group homes or individuals who were previously enrolled in program(s) prior to the Spring 2017 session.

SEC can no longer accept any NEW registrations from individuals who have not completed the OPWDD Front Door Eligibility Process and have been issued a Front Door Authorization Form stating respite units have been confirmed.You must provide a copy of your Eligibility Status letter to be considered for the transitional fee category.

HCBS Medicaid Waiver: SEC will only accept individuals who are Medicaid Waiver eligible after all the required documentation is properly submitted by the Care Coordinator. SEC needs to be correctly noted on the Life Plan as a service provider; a Front Door Authorization Letter or (SAL); Notice of Decision (NOD) and Level of Care (LCED). Once this documentation has been received by SEC it will be submitted to OPWDD. Individuals may not begin programs until SEC is notified the billing for reimbursement process is completed.

South East Consortium Office Hours

8:30 A.M. - 4:30 P.M. | Monday - Friday

Liability Notice:

Before South East Consortium provides service, we must determine who is responsible for paying for the cost of the services. This could be Medicaid, NYS or another payor, such as the individual or the individual's legal guardian. You are required to provide us with the information we need to make this determination. We must make this determination even if you offer to pay for the services. If Medicaid is not responsible for the cost of the services, we will determine if another payor is responsible for the cost of the services and whether that other payor can afford the payment.

If the limited exception ends, we can bill you for the respite services and we may deny or stop the respite services if payment is not received. The individual, or another liable party, will have to pay for the services at the Medicaid hourly reimbursable rate to South East Consortium. Otherwise, the individual will need Medicaid coverage that pays for the respite services and to be enrolled in the Home and Community Based Services (HCBS) Waiver. Fee reductions or waivers are available in unusual circumstances.

If the individual already has Medicaid coverage you must provide us with proof of coverage including the individual's Medicaid Client Identification Number. The individual must maintain Medicaid coverage in the future. If the individual loses coverage you must inform us. If the individual does not already have Medicaid coverage: You must pay for the services if no other payor exists. If you are responsible for the individual's money, you are only required to use the individual's money to pay for the services.

OR

You must apply for Medicaid if no other payor can pay for the services. When applying for Medicaid, you must take all legal steps to qualify for and maintain Medicaid coverage.

The full fee for the requested services is available upon request from the SEC Office. South East Consortium is allowed to asses fees for programs. These fees are based on non billable services to Medicaid (admission cost, consumable supplies and food associated with programs are billable to the consumer). If we reduce the fee, you will be required to pay the reduced fee. If we reduce the fee and we later determine that you are able to pay the full fee, you will be required to pay the full fee. We will provide you with 30 days' written notice if the fee reduction changes. We will send you bills if you are paying for the services. We will send you a monthly bill by the 30th of the month following service. If you do not pay the bills, we will try to collect from you.

South East Annual Giving Campaign

SouthEast Consortium
Annual Giving Campaign

At South East, every program is more than just an activity — it's a place where friendships grow, confidence shines, and everyone is celebrated for who they are. For over 40 years, we've provided quality recreation opportunities for children and adults with differing abilities across our community.

As costs continue to rise and funding becomes more uncertain, your support makes a real difference. Each year, we rely on community donations to help keep our programs affordable and accessible for every family.

Every contribution — big or small — helps ensure our participants can keep smiling, learning, and discovering what they can do.

To donate, please visit our website or mail in your gift using the form below.
Thank you for helping South East continue to grow and thrive!

SEC MISSION

Created in 1981, the South East Consortium for Special Services, Inc. (SEC) is dedicated to providing recreation programs and leisure services to children and adults with developmental disabilities and special needs who reside in our member municipalities. Our mission is to maintain and improve the lives of those we serve by offering a comprehensive calendar of programs and services that are age appropriate, suitable for people with different levels of ability and designed to have an impact on an individual for a lifetime. We do this together and always welcome your ideas and concerns.
